ABOUT AS

WELCOME TO OUR COMPANY

PT Berkah Trinindo Pratama is an Indonesian trading and service company that delivers dynamic solutions for businesses. Our solutions are developed not merely from a partial perspective, but through an integrated business approach.

Our experienced and well-qualified management team supports the trading and service activities we manage. Our staff and management work collaboratively to provide the best possible service to the users and clients who place their trust in us, while delivering products of the highest quality.

VISION & MISION

VISION & MISION

PT BERKAH TRINDO PRATAMA

PT Berkah Trinindo Pratama is committed to becoming a trusted partner in general supplies, machinery spare parts, marine products, electrical products, and welding products.

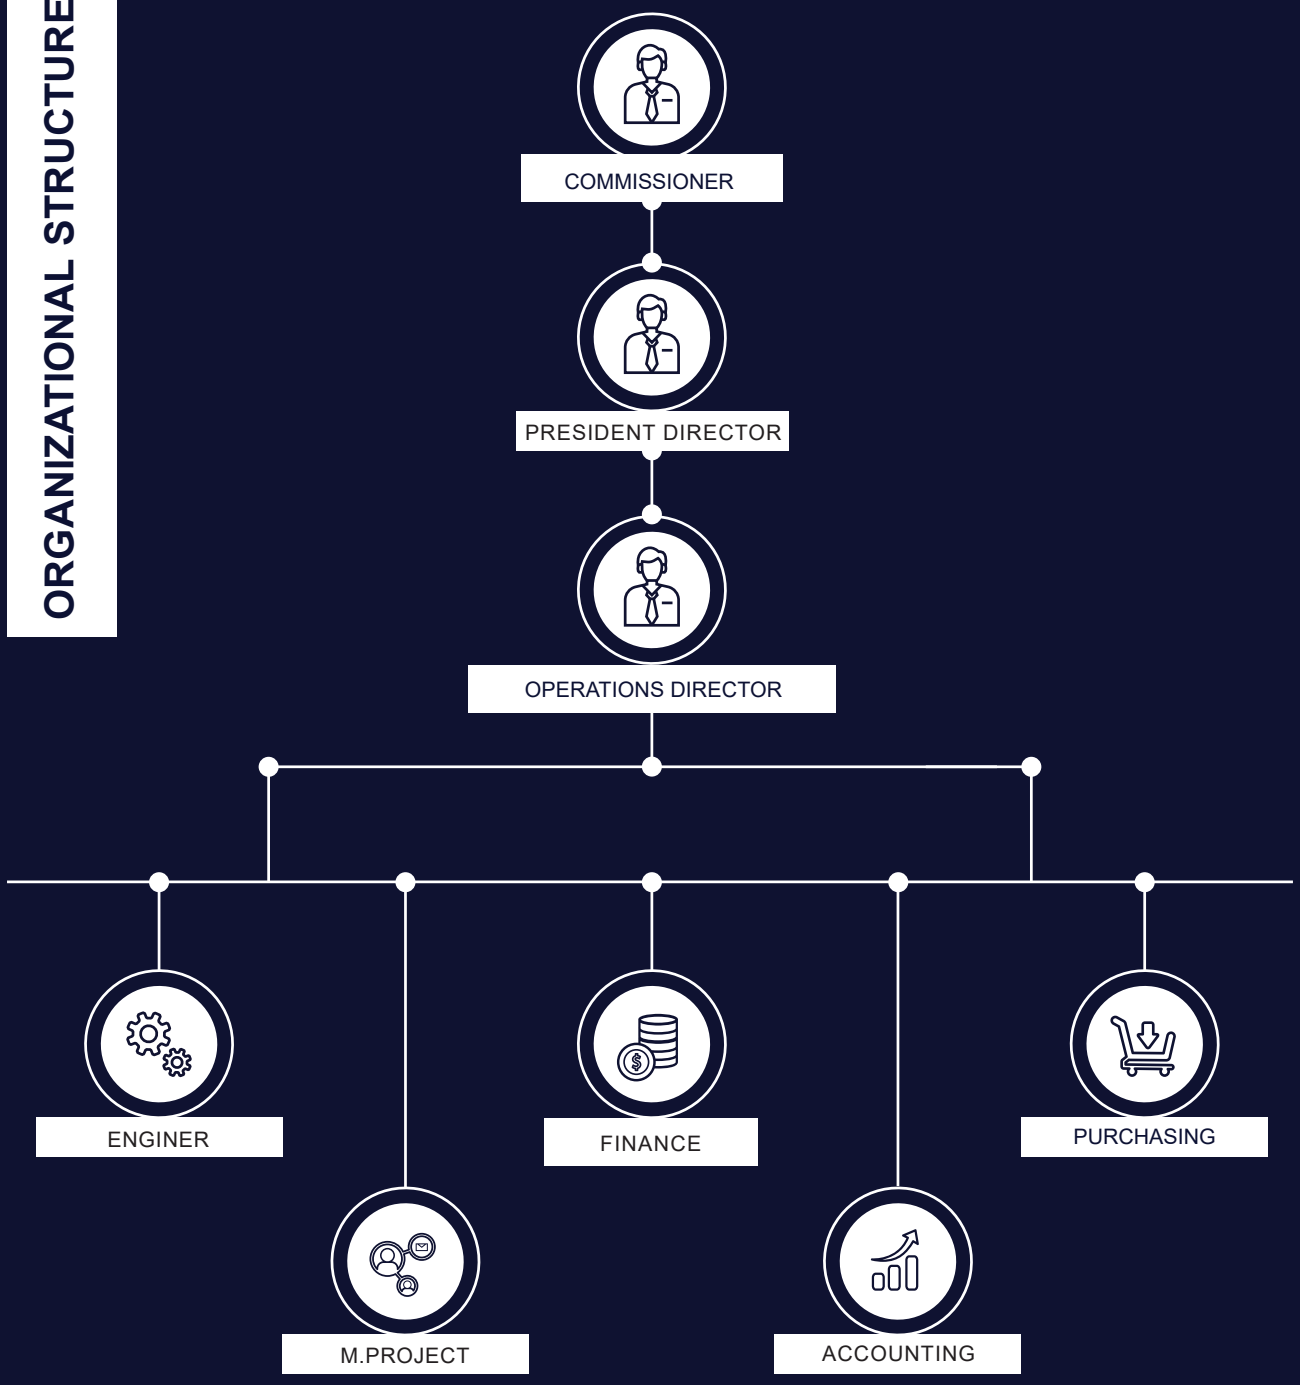

As the mining and marine industries continue to advance, reliable maintenance and support are essential to keep systems operating safely and consistently.

We are here to support your company with spare-parts procurement and mechanical and electrical installation services. We collaborate with a broad network of distributors, suppliers, and principals to provide competitive quality and pricing.

We also undertake mechanical and electrical installation work delivered by qualified professionals. Drawing on our experience across a range of completed projects, PT Berkah Trinindo Pratama is ready to provide dependable support for your business needs.
